

WHAT'S NEW AT THE CANINE CONNECTION?

NOVEMBER BRINGS SAD AND JOYOUS NEWS FROM TCC

Please visit our website at allk9connection.org

We ask that you think of us this holiday season and know that we have many wonderful rescue dogs here who could use your help.

All donations are tax deductible and very much appreciated!!!

THE SHIH TZU MIX PUPS AT 7 WEEKS OLD! WE HAVE FOUR MALES AND TWO FEMALES!

These are the healthiest, happiest rescue babies we have had for a very long time! The puppies' adoption fees are handled as tax deductible donations to our non profit rescue operation and all donations will be applied to the support of the dogs here who aren't quite so healthy or adoptable as these precious babies. These babies won't last long once they are posted to our petfinder adoption site. If you have already adopted a pup or dog from us, then you are pre-approved to adopt one of these babies!

TCC SAYS GOOD-BYE TO A VERY SPECIAL LITTLE GIRL

We lost one of our special sanctuary dogs on November 2nd. Prissy, who was a puppy mill breeder that we rescued 4 1/2 years ago died from unknown causes.

Prissy had lived the first part of her life in a 2 x 2 cage and a whelping box when needed. She knew no love or kindness before she came to us. It took almost two years for Prissy to trust my husband, but when she finally accepted him, it was a true love affair for both of them.

Prissy was truly a wonderful little girl who grew so much and developed a wonderful, fun personality and loved to sing when she was excited!

We sadly miss her and will always remember how she transformed from a sickly, hairless little creature to a beautiful, loving girl.

Prissy on arrival at TCC.....

Our beautiful little girl.....

REST IN PEACE SWEET, INNOCENT BABY GIRL. YOU ARE TRULY LOVED AND SADLY MISSED.

PREGNANT SHIH TZU MIX AT KILL SHELTER ENDS UP AT TCC AND GIVES BIRTH TO SIX BEAUTIFUL, HAPPY BABIES!

WE ARE HAPPY TO ANNOUNCE A WONDERFUL LITTER OF SHIH TZU MIX PUPPIES WILL BE READY FOR ADOPTION ON DECEMBER 20TH AT 10 WEEKS OLD. MOM ARRIVED HERE ABOUT 3 WEEKS BEFORE DELIVERY OF HER SIX BABIES. MOM IS A CUTE SILVER SHIH TZU MIX GIRL.

OF COURSE, HER PUPS ARE BLACK OR A MIXTURE OF MOSTLY BLACK AND WHITE! IT SEEMS WE SHOULD RENAME OUR RESCUE TO ALL BREED BLACK DOG RESCUE! (ha!) IT DOESN'T MATTER WHAT COLOR THE MOM IS, WE GET BLACK BABIES MOST OF THE TIME!!! TO ME, THE HEALTH AND TEMPERAMENT OF ANY DOG IS THE MOST ATTRACTIVE FEATURE AND THESE BABIES ARE 10'S IN EVERY WAY!

TUCKER III GETS A CLEAN BILL OF HEALTH!

Tucker's story was the cover story in our first newsletter (October 2009).

We have been worried sick over this wonderful little boy, but it seems that his problems did correlate with the horrendous beating he took at the hands of the

ignorant, crazy, cruel boyfriend of Tucker's former owner.

Tucker's liver was horribly bruised from the kicking and beating he endured as it took him a very long time to heal. We are very happy for this little guy as he is so

deserving of his own special home.

Tucker III will be available for adoption very soon. Please check him out at Canineconnection.petfinder.com
